Dear Friends,

Our review of 2019 reflects upon the many caring people who helped create many positive ripples in our community—or what we call compassion in action. You'll read about:

Donors who have created funds or given gifts to improve the lives of their neighbors
Nonprofit organizations that have stepped up to meet wide-ranging and ever-changing needs
Students who want to continue their educations and pursue their career dreams
Educators who exemplify excellence and want to expand their knowledge
Youth who share their time and talent, learning about philanthropy as action
Community partners who learn together to build a better community
Unsung heroes who continually give of themselves
Dreamers who refresh and restore the beauty of the spaces and places around us
Leaders who set aside time to strategize future growth and development

These stories, activities and acts of kindness—Licking County's ripple effect of hope and possibilities—are your stories. Because of the many stones you have skipped across the water and the ripples you've created, we've been able to help change the lives of people in the beautiful pond we call home. Thank you for your compassion in action that lifts us all.

With Deep Gratitude,

Connie Hawk,
Director

Funds

Changing Lives

Since 1956, thousands of caring donors have invested in the future of the community they love through gifts to the Licking County Foundation. Our donors come from every walk of life and every generation. They are individuals, families, businesses and organizations. Their gifts are large and small. Their interests are diverse, but they have a common desire: to improve the lives of people in their own backyard. Each of these funds have a purpose that matches the donor’s particular philanthropic passion. Awards from all Foundation funds make an amazing difference!

The Foundation has grown to more than \$114 million in total assets through generations of gifts made by compassionate donors, allowing nearly \$3.5 million to be directed at community needs through grants and scholarships and leaving a lasting legacy to the community.

(Foundation assets as of December 31, 2019)

Investing in our home has changed the lives of countless people by providing resources to a neighbor in need, helping a student achieve their dream of college, enhancing the beauty of our parks, supplying books to encourage an early love of learning and much more.

New Funds

Each of our charitable funds is an inspiring reminder that our capacity to give is limited only by our imagination. These newly created charitable funds will create new possibilities for our community.

Buckeye Lake Region Community Foundation Fund
A donor advised fund established by the Buckeye Lake Region Community Foundation for the purpose of supporting its objective of unifying and marshaling the unique assets of the Buckeye Lake region, by supporting projects at the lake and creating an outlet for interested parties to support these efforts. The Foundation is part of a collaborative effort to transform the Buckeye Lake Region into the most popular year-round tourism destination in the Midwest. By securing donations and grants from individuals, businesses and foundations (public and private), the Foundation provides the financial assistance needed by the Buckeye Lake Region Corporation to coordinate, manage and execute initiatives that support the Buckeye Lake 2036 Vision and the Buckeye Lake Region Declaration.

Emergency Warming Center Fund
A community charitable fund established by the Licking County Warming Center Task Force for the purpose of supporting the needs of Emergency Warming Centers in Licking County. Grants from the fund may include, but are not limited to, supplies, pest abatement, site damage repairs, transportation, volunteer training and site costs associated with extended hours of operation. The mission of the task force is

to create policies and procedures for coordinating, establishing and operating warming centers in Licking County for individuals who are in need of a warm and safe place to temporarily shelter during periods of extremely cold weather.

Friends of Sullivan Community Projects Fund
A project fund established by Friends of Sullivan to support projects and programs which promote community awareness of the Louis Sullivan Building of Newark and foster appreciation of its architectural significance. Projects shall include, but are not limited to, publishing the *Journey to a Jewel Box* children’s book, providing programming (e.g., tours, lectures, craft fairs), and producing literature (e.g., brochures, pamphlets, books) for engaging and informing both school-age and adult audiences.

Granville Garden Club Scholarship Fund
A scholarship fund established by the Granville Garden Club which nurtures a love and knowledge of gardens and civic pride in the community. Since 1931, the Club has brought beauty to their corner of the world through local projects, including the crosswalk flower beds; the medians on Broadway; gardens at the Robbins Hunter Museum and the Bryn Du Mansion; pollinator habitats on Route 16/37; and the annual Daffodil Show. The scholarship assists Granville High School graduating seniors who have a strong record of academic success, community service, and demonstrated interest in environmental issues and the goals of the Granville Garden Club to further their studies at an accredited two-year or four-year college or university.

Scott Henry Memorial Scholarship Fund
A scholarship fund established by the Heath City School District in memory of Scott Henry, beloved math teacher at Heath High School for more than 22 years and graduate of Heath High School in 1984, who died

unexpectedly in 2016. Mr. Henry was known as an amazing, knowledgeable and creative educator. He will also be remembered as a gentle, interested, and caring mentor and colleague. In addition to teaching mathematics, he coached football, baseball, basketball and golf. Prior to coming to Heath, Mr. Henry was a teacher at Lakewood High School for three years. His wife, Michelle, is a teacher within Lakewood Local School District, and their children graduated from Lakewood High School. Scott Henry received his Bachelor’s Degree from Denison University and his Master’s Degree from Marygrove College. This scholarship assists graduating seniors from Heath High School and Lakewood High School who are majoring in Secondary Education at an accredited four-year college or university with preference given to students interested in teaching mathematics or history.

Trek Together Community Fund
A community charitable fund established by John and Kristin Ream for the purpose of pursuing their philanthropic goals and benefiting the charitable causes and organizations the Reams and Trek Brewing Company care about most. Trek Brewing Company opened its doors in 2018 with the vision that great beer and great people come together to do incredible things. Since Trek’s inception, the Reams have been dedicated to giving back to the community they call home. John and Kristin graduated from Granville High School in 2004. After marrying, they moved to Seattle—where John worked as an aerospace engineer and Kristin as a teacher. They spent nine years out west before the dream of opening a brewery was born.

“When we decided to follow our big dream and open a brewery, we decided if home is where the heart is, it should be where the beer is too,” they said.

The Reams and their two small children returned to Licking County, and with lots of family support, Trek Brewing Company opened in Newark.

Emergency Warming Center Task Force Executive Board

Friends of Sullivan Signing Agreement

Funds, continued

David F. Thomson Memorial Fund for the Newark Kiwanis Club

A designated agency fund established by David F. Thomson, a former Newark Kiwanian who passed away on March 12, 2019, to support the J.L. Phillips/Newark Kiwanis Endowment Fund of the Licking County Foundation. David was a United States Army veteran, long-time college student affairs administrator, employment counselor and community volunteer. A native of New Jersey, he moved to Newark in 1991 and served as the Chief Student Affairs officer of Central Ohio Technical College and the Newark Campus of The Ohio State University. In this position, he coordinated the following programs: Activities, Athletics, Developmental Education and Counseling, Child Care Services and residential programs. He was also involved in community-based activities, including the Newark Kiwanis Club, serving in various officer positions including President. He also served on the boards of Camp O’Bannon, the Food Pantry Network of Licking County and the United Way of Licking County.

Gregory and Dixie Trial Family Fund

A designated agency fund established by Gregory Trial, in memory of his wife Dixie Trial and in celebration of their life together, to support Newark Catholic High School for the purpose of scholarships for college bound students. Scholarship recipient selection will be made by the local board of the Knights of Columbus St. Francis de Sales Chapter in the name of the Gregory and Dixie Trial Family Scholarship. Gregory Trial, originally from Texas, met Dixie in Michigan. Gregory was employed by the Newark Air Force Base for 50 years. Dixie retired from Lakewood High School after 27 years of teaching. The couple were married for 57 years until Mrs. Trial’s death in 2017.

United Way of Licking County Community Fund

A non-endowed agency fund established by the Board of Directors of the United Way of Licking County for the purpose of building unrestricted support for future projects or future operational needs. This professionally managed fund will generate investment income year after year to help the United Way of Licking County further its mission of improving lives by uniting the community and fulfill its vision of Licking County as a productive community where individuals achieve their full potential.

United Way of Licking County Endowment Fund

An endowed agency fund established by the Board of Directors of the United Way of Licking County for the purpose of providing a permanent, continuous source of unrestricted income to improve lives in Licking County by uniting the community for many generations to come. For 87 years, the United Way of Licking County has played an important role in assessing and addressing the county’s needs while working towards long-term solutions. With the help of generous donors, active volunteers and passionate agency partners providing valuable programs, the United Way of Licking County connects people to bring about positive change in three priority areas: poverty; behavioral health; and children, youth and families. Whether United Way staff and volunteers are working tirelessly to raise dollars or convening and collaborating with key stakeholders, the mission remains to improve lives by uniting the community.

Existing Funds

Year after year, the Foundation’s family of funds strengthen every aspect of life in our community. These sustaining charitable funds provided hope and changed lives in our community.

Unrestricted Funds

Created by donors to allow the Foundation flexibility in addressing the community’s most urgent needs and emerging opportunities.

GRANTS

Strengthening community

Our donors believe that having strong nonprofit organizations and supporting the services they provide are integral to Licking County's vitality. The Foundation is made up of almost 270 philanthropic funds which are used in a variety of ways to provide support for nonprofit organizations with grants. In partnership with donors, we distributed more than 300 grants in 2019 across a broad range of programs. Grants from discretionary funds like field of interest and unrestricted support the causes selected by the donor, but trust the Foundation's Governing Committee to select the specific charities that receive grants from their fund each year. Donors also provide grant funding directly to organizations through agency, designated agency, project, donor advised and community charitable funds. The Foundation strives to support both our donors and our nonprofit partners as we work together to strengthen the community.

Grants Awarded from Field of Interest & Unrestricted Funds

Awarded through Community, Strategic, Multi-Year and Events Sponsorship grant programs, this discretionary support helps area nonprofits meet the ever-changing needs of our community: to respond to new programs, emerging needs and innovative services.

Community & Strategic Grants

Licking County's many capable and committed nonprofits contribute greatly to making this area such a tremendous place in which to live and work. Summaries of recipient organization support are as follows:

American Red Cross of East and South Central Ohio: \$6,000 to support the Home Fire Campaign, which provides educational materials and purchases 400 smoke alarms to be installed in Licking County homes.

Behavioral Healthcare Partners of Central Ohio: \$2,500 to support the engagement of a facilitator for strategic planning.

“I was dating a user/seller and started using drugs with him. The next thing I knew I was spending 6 months in prison. I broke probation and was brought to Courage House. This program has totally changed my life. It made me face and realize everything I had done. Through the programming, discussions and different groups, I have become a new person. I have a good rapport with my mom and children. I have housing and I am interviewing for a job. I cannot say enough good things about this place. I look forward to having my own place soon and my children back with me once again.”

- Courage House Resident, Behavioral Healthcare Partners of Central Ohio

Boys & Girls Club of Columbus, Inc.: \$25,000 to support the purchase of technology (STEM equipment, laptops, iPads) and other necessary equipment as part of the renovation of the Maholm Street school building for the Boys & Girls Club of Newark program.

Catholic Social Services: \$15,000 to support the Supportive Services Program in Licking County, which provides intensive case management services to assist older adults to maintain their highest level of functioning while living independently in the community.

Denison University: \$8,250 to support the Initiative for New Music in the Schools, which promotes the performance of new music in the public schools and collaboration between student musicians and professional composers.

Fostering Further: \$4,500 to support the Grant a Wish Program, which assists with extracurricular items and activities for youth in foster care, relating to educational, recreational and socialization, skill-building and self-enhancement, and therapeutic and safety areas.

“Our son is always unsure of new situations and trying new things. We let him choose what sports camps he wanted to attend to see if he liked the sport before making a bigger commitment and signing him up to play a full season. Because Fostering Further supports camps and extracurricular activities, he was able to try a new sport to see if it was something he would like to continue playing. It gives children a sense of empowerment when they are able to participate and enjoy new experiences. The reimbursement procedures are seamless and stress free for all parties involved! We appreciate everything they do for us and Foster children across Licking County.”

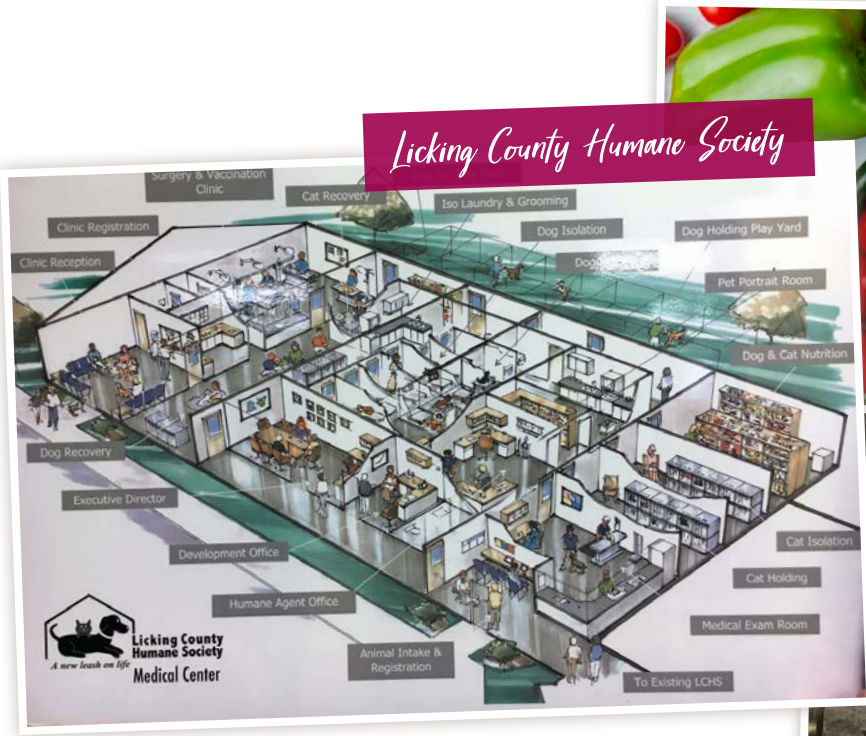

–Foster Parent, Fostering Further

Habitat for Humanity-MidOhio: \$10,000 to support the Homeowner Repair Program in Licking County, which preserves safe, affordable homeownership for low-income families in Licking County who are affected by age, disability, or family circumstances and struggling to maintain the integrity of their homes.

Hospice of Central Ohio: \$10,000 to support the purchase of new furniture for the guest rooms at the Selma Markowitz Inpatient Care Center at Licking Memorial Hospital.

“Hospice of Central Ohio staff that work at the Inpatient Care Center report that families and guests have had positive feedback regarding the new furniture. In addition to stating how nice the overall space is in appearance, they have specifically commented on how much easier this furniture is to manipulate. The sleeper beds fold down smoothly, making it easier for guests and staff to adjust them.”

- Hospice of Central Ohio

Licking County Community Health Care: \$7,500 to support the direct service the clinic provides to Licking County citizens who might otherwise go without health care, and the clinic's selection as a pilot clinic for Rx Outreach.

Licking County Health Department: \$20,000 to support the Licking County PACE EH Project, a community-based environmental health assessment that will engage communities to explore the broad physical and social environments that impact health and safety.

Licking County Humane Society: \$25,000 to support the facility's expansion, which is designed to meet the community's needs as well as prepare for future growth.

Mid-Ohio Foodbank: \$15,000 to support the partnership with the Food Pantry Network of Licking County, to distribute about 1.7 million pounds of fresh fruits and vegetables to more than 18,500 unduplicated Licking County residents to connect our hungry neighbors to fresh, healthy food.

“Some of my clients feel ashamed or embarrassed, but they shouldn't because they have nowhere else to go. I can relate to my clients because I was in their situation before. Some of my clients give me hugs and thank me for what I do. The work I do at the pantry is very satisfying to me, but I'm not there for a simple pat on the back. I'm 78 now and have been volunteering at the Licking County pantry for the last 15 years. I plan on staying in the pantry until I physically can't!”

– Volunteer, Mid-Ohio Foodbank

Newborns in Need, Greater Newark Chapter: \$3,500 to support the purchase of supplies for volunteers to make clothes, blankets and other necessities to provide to newborns throughout Licking County.

The Salvation Army: \$60,000 to support the general operations of the Emergency Homeless Shelter, meeting the needs of single men, women, and families who are homeless and living in the local area.

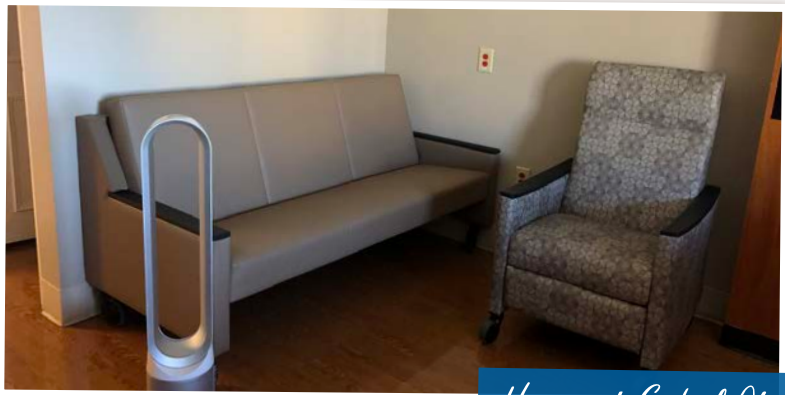

Utica Area Foundation: \$5,000 to support painting a large mural on the north side of the Masonic building in downtown Utica, which depicts the making of hand-blown window glass cylinders, to enhance the appearance of the town and relate some of its special heritage.

The Works: Ohio Center for History, Art and Technology: \$10,000 to support upgrades and improvements to technology and history exhibits, including extensive collections of artifacts and archives that represent the businesses, industries and cultural heritage of Newark, Licking County and the region.

Together We Grow, Inc.: \$10,000 to support the general operations of the Community Garden, Here We Grow Gardens and Green Machine Programs.

“We have a gardener at our Sixth Street garden who had three 25'x25' garden beds where she grew corn, tomatoes, peppers, cucumbers, potatoes and much more. She worked at her garden numerous times every week, taking great care of it so it would produce lots of vegetables. She mainly donates to needy families who live around her. She also took much of it to her church to give to elderly members of her congregation who weren't able to grow their own gardens.”

Multi-Year Grants

Licking County Foundation initiated its first round of Multi-Year grants in 2019 to provide three years of guaranteed support to allow grant partners an opportunity to focus more on providing services and less on raising funds. Additional strategic guidance and programs are offered to help build organizational effectiveness, impact and capacity. Summaries of recipient organization support are as follows:

Buckeye Valley Family YMCA: \$25,000 to support the All For One Camp, an inclusive summer day camp, which welcomes children with many types of developmental disabilities to participate in a traditional camp environment.

Children's Defense Fund Freedom Schools of Licking County: \$25,000 to support a six-week summer enrichment program, which provides books, training, stipends for staff members, field trips, classroom and administrative supplies, and two healthy meals and a healthy snack daily.

Licking County Center for Visual Impairments (LCCVI): \$30,000 to support the Non-Senior Eye Care Services Program, which provides the full spectrum of professional eye care services for eligible Licking County residents under the age of 60, and the Low Vision Aids Program, which provides resources for people who need help beyond their prescribed glasses.

Licking Memorial Health Systems: \$50,000 to support the Children's Dental Clinic and Food Prescription Program, both of which serve uninsured, low-income children in Licking County.

Mental Health America of Licking County: \$50,000 to support the general operations of the organization, exclusive to programs that serve youth, including prevention, early intervention and other support to address the mental and behavioral health of children, youth and families.

Newark-Granville Symphony Orchestra: \$20,000 to support Community Outreach Programs for youth that not only provide exposure to music but also enhance skills such as teamwork, discipline and creative problem solving among local students.

Newark Midland Theatre Association: \$30,000 to support the Arts For All and Yellow Bus Series programs, arts and cultural events that engage young people and families, including individuals who are striving to improve their life situations.

Ohio State Legal Services Association: \$25,000 to support the Children's Legal Assistance Program in Licking County through Southeastern Ohio Legal Services (SEOLS), providing legal help for low-income families with children ages 3-18, including children with learning and other disabilities that may have been a barrier to their success in school and that may have put them at risk of entering or being placed in the juvenile justice system.

Ronald McDonald House Charities of Central Ohio: \$10,000 to support the Helping Hands program, designed to provide nights of rest for families of seriously-ill children from Licking County staying at the Ronald McDonald House in Columbus.

Event Sponsorship Grants

A sponsorship program designed to support community events which encourage diverse groups of citizens to gather, have fun, and participate for the greater good. The following events were given a boost with grants up to \$500.

Daughters of the American Revolution-Granville Chapter:

110th Anniversary Celebration

Equality Ohio Education Fund: 2019 Newark Ohio Pride Festival

Friendship Club of Licking County: Honor the Service: Korean War

Heritage Ohio: 2019 Heritage Ohio Annual Conference

LEADS Community Action Agency: 2019 LEADS Annual Luncheon

Licking County Aging Program: 2019 Car, Truck & Cycle Show

Licking Heights School District: All Together Cultural Fair

United Way of Licking County: Women United Annual Event

Wyatt Adkins Heart Organization: 2019 Night for Hearts Event

Licking County Aging Program Car Show

The Foundation team decorated a holiday tree for display at The Dawes Arboretum's Learning Center on a cold and raining day in December.

Grants Awarded from Agency, Designated Agency, Project, Donor Advised & Community Charitable Funds

Awarded through distributions from a variety of funds which reflect donor interests and goals, these grants support many worthy causes and sustain the operations, projects or programs of many worthy charities.

The Foundation is committed to making higher education attainable and affordable. The first scholarship was established at the Foundation in 1968. Thanks to generous donors, many more have been established over the last 50 years, allowing us to award more than \$1 million in scholarships annually to deserving area students. The following scholarships, ranging from \$1,000 to \$10,000, were awarded to high school seniors, undergraduate and graduate college students, and adult re-entry students who want to continue their educations and pursue their dreams of having successful careers and lives.

Scholarships

- John W. Alford Scholarship** – Seth Blake, Jacob Lumbatis, Genevieve Tautkus
- Mary E Alford P.E.O. Chapter DL Scholarship** – Hailey Hunt
- Allen-Good-Willey Scholarship** – Doran Dyer
- Baker, Chilcote, and Jones Scholarship** – Benjamin Bemis, Grace Berry, Simon Blum, Carter Comisford, Aubrey Dunn, Ramen Felumlee, Megan Hann, William Schneider, Garrett Thomas, Bryce Thompson, Abigail Travis, Samuel Tucker, Barbara Tyler
- Larry, Jean, Mike, Tim and Darren Brandt Family Scholarship** – Jenna Beebe, Megan Trainer
- Brinkerhoff Award** – Allissa Pfister
- Robert Ernest, Virginia Woltjen Buckey, and Scott Buckey Richards Memorial Scholarship** – Wesley Davis, Colin Kozlowski, Garrett Sheppard, Luke Shoen, Jason Snider
- Camp O'Bannon Scholarship** – Bernadette Darkes, Avery Evans, Jaelynn Williams
- Matthew David Card Scholarship** – Jeriah Cooperrider
- Chamberlain-Powers Memorial Mathematics Scholarship** – Anna Fitterer
- Tony B. Crisp Memorial Scholarship for the Performing Arts** – True Chin-Parker
- Davis Family Scholarship** – Nicole Cacciato, Kaelin Curran, Paige Flavin, Celena Gilmore, Renae Higgins, Rylee Parkinson, Alex Rosshirt, Alissa Rowe, William Sharp, Makayla Slee, Megan Smart, Justin Thompson

- Gracie D. Dudgeon Memorial Scholarship** – Regan Moore
- Dupler Brothers Law Enforcement Scholarship** – Cody Miller
- Explore Licking County Tourism Scholarship** – Jennifer Eberly
- Clarence & Grace Marie Feil Scholarship** – Caleb Anderson, Charles Clark, Kyle Cooperider, Noah Corbett, Zachary Gayheart, Graham Gibson, Nicolas Hatten, James Hill, Ronald Hurst, Nathan Krier, Landon Lewis, Wesley McCormick, Joshua McCoy, Benjamin Schulte, Bradley Schumaker, Mark Skinner, Levi Swendal, Dakota Zabel

"To be selected as the recipient of a scholarship established through the will of educators and active community members is such a special honor and privilege."

- Dick and Clara Francis Scholarship** – Aili Barbee, Grace Brown, Jared Drosch, Emmalea Fuchs, Hannah Horsington, Malia Jones, Tapiwanashe Mavunga, Katherine Weber
- George and Catherine Greider Scholarship** – Chloe Carson, Taylor Jacobs
- Granville Business Alliance Entrepreneurial Spirit Scholarship** – Erin Dilger
- Guthrie-Hoover Scholarship** – Asher Pace, Nathan Stone

- Hanover-Toboso / Licking Valley Alumni Association Scholarship** – Aaron Lee
- Letha P. Headlee Licking County Retired Teachers Association Scholarship** – Emily Cromwe, Erin Kennedy, Alexis Moore, Rebecca Pack, Taylor Yuhas
- Heath Education Foundation Scholarship** – Paul Collier
- Scott Henry Memorial Scholarship** – Bailey Moraine, Ashlynn Sinnett
- Richard K. & Ione D. Hill Scholarship** – Mallory Bailey, Ryley Dyer, Julia Eltringham, Cole Lape, Megan Pesicek, Isabelle Poulson
- Maxine and Diane Hite Scholarship** – Kyla Williams
- John A., Betty J. and Linda Ann Hoover Scholarship** – Jordan Aronowitz, Samuel Bending, Kaylee Chesser, Ariel Dickerson, Megan Higgins, Rhianna Hunt, Benjamin Isch, Chulwoo Kim, Brea Muzykoski, Alysa Pipkin, Whitney Strelecky, Meagan Whittaker, Keegan Znosko
- Kayla N. Hurst Memorial Scholarship** – Alayna Curran, Miquela Hampton, Emma Kiser
- Wilbur and June Staggers Jenkins Scholarship** – Kyle Batteiger, Mackenzie Binckley, Jayme Clark, Ian Gant, Darci Hartshorn, Ryan Haynes, Mackenzie Meadows, Lauren Montgomery, Gunnar Smith, Avery Standley, Noelle Stevens
- Mike Johnson McDonald's Scholarship** – Shelley Love
- Kenneth Johnston Scholarship** – Derek Killen
- Doris Orr Kaspar Scholarship** – Sydney Houdeshell

Without your support, these once-in-a-lifetime experiences my education presents may have passed me by. For what you have done for me and for what you do for our community, I could not be more grateful.

Ralph S. Wyeth Scholarship – Caleb Argyle, Matthew Farrell, Isabel Jalamov, Nicholas Novotny, Taylor Orr, Brennen Peterson, Jena Prosser, Roslyn Quiao, Annika Rhyan, Isabelle Rosenberg

Young Leaders of Licking County Scholarship – Kaitlin Peterman

“If someone would have told me when I was a senior in high school that this scholarship would choose me four years in a row, I would have been in disbelief. I am truly humbled and grateful for all of the support this has given me throughout my journey.”

TIBBIE LESLIE

Travel grants

Since 1999, the Tibbie Leslie Fund has supported area educators with the opportunity to travel abroad and expand their horizons and those of their students in the spirit of donor, Elizabeth “Tibbie” Leslie—a Newark native who traveled the world throughout her 30-year teaching career. The following individuals joined 94 educators who have received over \$180,000 in travel support since the program began.

*Once a year, go someplace
you've never been before.*

– DALAI LAMA

1 Amy Shuppe

Southwest Licking School District
Watkins Middle School
Scotland and Ireland

“It is my hope and wish that students are able to experience some of what I did while I was at the museum through the videos and pictures I took, as well as the books, postcards, and media I purchased. I truly wish I could take my students to both of the museums in Ireland.”

2 Leona Vrbanac

Newark City School District
Newark High School
City of Lucca and Tuscany region of Italy

“I learned valuable lessons about teaching culinary classes by being a learner in this diverse group of humans from all over the globe. Our love of food and shared values for health and wellness drew us together. Our time sitting at the table enjoying the fruit of our labor created a strong community and cemented our friendships. I hope to add this time of celebration and reflection to our cooking experiences at Newark High School.”

3 Amy Hicks

Newark City School District
Newark High School
Italy, Croatia, Greece

“This trip gave me a greater understanding of the world economy. Throughout the trip I had discussions with locals about their businesses and life in general. I learned from several people that wealthy Italians are known to avoid taxes while public employees, such as teachers, are automatically taxed at a very high rate. Throughout the year, I am always discussing my love of traveling with my Financial Algebra students. I emphasize the importance of experiences and how traveling is a good investment. Using this trip as an example, I will discuss saving and planning so that dreams can become realities.”

Leaders for Learning Awards

Since 1993, the Lindorf-Warner Memorial Fund has supported the Leaders for Learning program to recognize outstanding teachers who promote excellence in education in our county. Area teachers nominated by their superintendents or principals were surprised in their classrooms with an art-glass apple award and a \$500 grant for professional development or supplies for their classroom. The following individuals joined the more than 300 teachers who have been honored since the program began.

Renee Ayers, Licking Heights Local School District
Kelly Charles, Northridge Local School District
Autumn Clark, Johnstown-Monroe Local School District
Amy Cox, Newark City Schools
Heather Gibson, Heath City Schools
Heather Griffin, C-TEC
Lisa Hawthorn, Lakewood Local School District
Jan Hosler, Licking County Educational Service Center
Traci Lausberg, Licking Valley Local School District
Jennifer McCollister, Granville Exempted Village School District
Kelly Rosinski, Granville Christian Academy
Emily Rowley, North Fork Local School District
Jodi Wyman, Southwest Licking Local School District

INITIATIVES

Investing in our home

As a community convener and collaborator, the Foundation is well-positioned to take on special initiatives for responding proactively and strategically to unique challenges and opportunities across Licking County. Here are some of the initiatives that brought people together in 2019 to create a better community.

Roadmapping Our Growth & Development

In June 2019, the Foundation embarked on a two-phase strategic action planning process with an overall objective to engage board and staff members in co-creating a roadmap for LCF's growth and development over the next three years. To begin this work, a consulting firm that specializes in strategic planning with philanthropic organizations was engaged to facilitate a retreat in which board and staff considered potential roles that the Foundation should play in the community. Roles were then prioritized and from that work and key strategic discussions, a draft plan was created.

The next steps included gathering key community stakeholders' input to inform the planning process through interviews and an online survey. We conducted 23 one-on-one interviews with grantees, funders, donors, non-grantee nonprofits, professional advisors and diverse community members. We also invited nearly 800 board members, committee members, nonprofit grantees, scholarship recipients, funders and diverse community members to respond to an online survey to learn their perspectives about the Foundation. We heard from 135 of those invited — a response rate of nearly 17%. Survey questions included the following topics:

- **What is LCF's mission or purpose?**
- **What areas is LCF having impact?**
- **What unique value does LCF bring to the community; and if it went away, what would be missing?**
- **What types of funding should LCF provide?**
- **What will be different as a result of LCF's work?**
- **What are the strategic or organizational priorities that LCF must address?**

Phase I, which included planning and key stakeholder input, is complete. Phase II is scheduled to be finished in summer 2020. The results of the interviews and survey will be analyzed and discussed at a board workshop in early 2020. Then a final strategic action plan will be developed, including priorities, metrics, timelines and budgets, in four distinct impact areas: Community Leadership, Donor Development, Grants & Nonprofit Capacity Building, and Infrastructure & Operations. Once approved, we will implement the plan—including communications to the community and a dashboard to track progress. Stay tuned!

ROADMAP FOR GROWTH & DEVELOPMENT

Phase 1

Consulting Firm Engaged Roles Created & Prioritized Draft Plan Created

Research was conducted and included:

23 one-on-one interviews **800** citizens invited to respond to survey

135 citizens answered surveyed - making the response rate 17%

Phase 2

Interviews and surveys will be analyzed Strategic Action Plan to be developed

Once approved, the plan will be implemented!

Learning Together

Licking County Foundation presented a range of learning opportunities to grant partners, volunteers and our community. By learning together, we became more aware, more impactful and more equitable.

- Succession Planning (BVU/The Center for Nonprofit Excellence)
- Role of the Board (BVU/The Center for Nonprofit Excellence)
- Building Stronger Communities Through Public Work, in partnership with Denison University and the Licking County Chamber of Commerce (Dr. Harry C. Boyte, Marie-Louise Strom)
- Critical Reflective Practice (Mosaic Education Network, Dr. Melissa Crum)

Creating Awareness & Saving Lives

To raise fire safety awareness during National Fire Prevention month, State Farm™ Insurance Agents Erin Curtis and Bill Stevenson presented 540 smoke and 90 carbon monoxide detectors to the chiefs of Licking County's fire departments. This annual giveaway is made possible with support from the State Farm® Fire Safety Fund and helps hundreds of area families be safer in their homes with these early-warning and life-saving alarms. Since 2008, The State Farm® Fire Safety Fund has granted over \$53,000 locally to provide 6,960 smoke and carbon monoxide detectors to Licking County fire departments for distribution to families in need. Granville Township Fire Chief Casey Curtis and Newark Township Fire Chief Jamie Jones accepted the detectors on behalf of Licking County's 18 fire departments.

Empowering Youth

Youth Philanthropy of Licking County (YPLC) was created to empower young philanthropists to share time, talent and treasure within their communities and support youth voice and action in Licking County. Formed in 2017, YPLC is a committee of the Licking County Foundation, organized in partnership with the Youth Leadership Council of Licking County, a program of Pathways of Central Ohio. Membership is comprised of teens who also serve on the Youth Leadership Council, Foundation staff and board members.

In April, our 2019 YPLC members joined with youth around the globe participating in Global Youth Service Day (GYSD), the world's largest service event and the only one that celebrates the contributions of children and youth. YPLC's project was one of just 10 GYSD projects registered in Ohio, and the only one in Licking County. For this day of service, they selected Fostering Further, a nonprofit that provides support to children in foster care, families and case workers in Central Ohio; and the Newark Ohio Pride Coalition, an organization that fosters diversity and inclusiveness by offering education, resources and support to the LGBTQ+ community. YPLC also recommended a grant to each organization in support of their dedication to promote positive mental health and provide support to Licking County youth.

Initiatives, continued

Reimagining & Revitalizing Resources

Construction work started on two exciting downtown Newark projects with the goal of reimagining and revitalizing these important community assets!

Foundation Park Refresh

Opened in October 2002, Foundation Park was created to give citizens a quiet, beautiful refuge in the heart of the city of Newark. In 2018, an idea was germinated for refreshing the park in support of the vision to create a vibrant downtown with authentic, high-quality public spaces that provide opportunities for community gathering, recreation and connections to the local landscape. Dovetailing with the City of Newark’s comprehensive Downtown Revitalization Plan for the downtown’s transformation, LCF engaged OHM Advisors to develop a revitalization design for the park that complements Newark’s pedestrian-friendly streetscape project while creating a more interactive and accessible urban retreat, which is now limited to foot traffic. It also includes more green space—more lawn, perennial borders, and ornamental trees and shrubs. The basalt fountain will be reconfigured for operating ease. The park will offer a welcoming plaza for folks of all abilities to gather at extra tables and benches.

Designed by The Dawes Arboretum, a pollinator-friendly garden will be planted. This gathering place will be named the William S. and Sue O. Moore Plaza to commemorate the Moore Family’s many contributions to the Licking County Foundation, the City of Newark and the entire community. A dedication is planned in 2020. This park refresh would not be possible without the support of generous donors and partners who help improve lives—and gardens—in their own backyard.

Louis Sullivan Building of Newark Restoration Update

2019 brought significant progress in the restoration of one of America’s most treasured architectural masterpieces, designed by the father of modern American architecture. The year saw remarkable changes during the exterior phase of this complex and multifaceted project—which included the restoration of the mosaics, original art glass windows and terra cotta. It also included the installation of a new roof and skylight. We hope that you’ll enjoy these highlights. We also hope you’ll stop by Third and Main Streets to see first-hand the results of careful craftsmanship and caring generosity.

Funding: Thanks to hundreds of generous community-spirited donors, a capital campaign challenge grant from The Jeffris Family Foundation raised most of the \$2.8 million needed for restoring the Sullivan Building’s façade.

Mosaics: The building boasts two exterior mosaics. Skilled artisans from Conrad Schmitt Studios were on site to carefully insert new glass tiles from their studio collection to replace missing tiles—one tile at a time. About 66 tiles were missing. Numerous holes and cracks were repaired. Re-grouting was done to restore the original profile. Loose original tiles were also secured. The result is breathtaking!

Art Glass Windows: All of the art glass windows—leaded and opalescent—were removed and transported to Conrad Schmitt Studios in New Berlin, Wisconsin for restoration. The existing opalescent glass and zinc comes in the upper first floor windows were restored. The wood frames and leaded glass panels of the original second floor windows were repaired. And, the center non-original second floor window was recreated to match the original. The result is luminous!

Terra Cotta: The goal is to return the terra cotta’s appearance to as close as possible to how it appeared originally. The terra cotta was cleaned. Repairable units were repaired in place. Unrepairable units and previously removed units will be replaced with new custom-fabricated units. All of the existing mortar joints will be repointed. Boston Valley Terra Cotta began creating 240 new pieces of terra cotta for the building’s exterior restoration for installation in 2020.

Up Next: A lot of time and care are being taken to get the exterior restoration just right. The unoriginal lower windows will be replaced; and new doors, roof and skylight will be installed. Plus, a lighting design for the façade will be created.

EVERETT D. REESE AWARD

Celebrating compassion in action

Sarah Wallace, granddaughter of Everett D. Reese, pictured with Jim Cooper, 2019 Everett D. Reese Award Recipient.

In the spirit and memory of Licking County Foundation’s founder, the Governing Committee created the Everett D. Reese Award to recognize and encourage individuals who continually give of themselves to benefit their community. Since 1996, this award has honored individuals whose integrity and compassion sometimes go unnoticed—those who might be called the “unsung heroes.” In 2019, we celebrated one of our community’s champions of young people—

Jim Cooper

For almost seven decades, James R. Cooper (Jim) has been dedicated to giving back to his community. Born in 1924, Jim is a lifelong resident of Newark. He attended Woodside Elementary School and Roosevelt Middle School, and graduated from Newark High School in 1942. Jim went on to study at Miami University in Oxford, Ohio where he majored in Government and Pre-Law. Interrupting his studies, Jim served in the United States Marine Corps during World War II. After the war, he returned to Miami University and lived in the Veteran’s Village housing for married students with his wife and middle school sweetheart, Julie Henzy Cooper. The couple had three sons, James, Thomas and John. The Coopers were married for 70 years until Julie’s death in 2015.

Like his father before him, Jim worked as a court reporter for over 30 years in the Licking County Common Pleas Court, as well as court reporting around the State of Ohio. Often his entire family would help proofread court transcripts in the basement of their home in Newark. Jim also assisted Everett D. Reese with transcribing his speeches for the American Bankers Association. Jim was entrusted with sending copies of these presentations to locations across the country in advance of Mr. Reese’s arrival, allowing the two of them to communicate closely and regularly through this work.

While enjoying time with his family, Jim often volunteered and coached baseball at two fields in Newark located to the North and South of the old Valley Drive-In on North 21st Street. Sponsored by Modern Welding, he started coaching in 1951 and was able to coach all of his sons and many of their friends! Many memories were made for the Cooper family around baseball. Julie was often a spectator in the stands. She also had the unfortunate experience of being hit by a ricocheting ball that Jim was throwing back to the field.

Jim Cooper was also part of a dedicated group of community leaders who were responsible for establishing the Mound City Little League facility in 1958—a “real” baseball complex with four diamonds and a concession stand! To get the ball rolling, Jim spoke with a friend who worked for the county who suggested property on South Second Street in Newark as a possible location for the new facility. Through Jim, the group connected with Everett D. Reese and J. Gilbert Reese who helped secure this property—which was donated to the Licking County Foundation and is still held by the Foundation today.

Jim was also known for passing the hat around at games to support one of Mound City League’s key goals: to never charge a player—which still holds true to this day. In fact, Mound City Little League is the last little league program in the United States which does not charge participation fees. This is truly a legacy of caring to pass on to generations of Licking County little leaguers.

In addition to serving the young people of this community, Jim has been committed to improving the lives of many others as a dedicated and longstanding member of the Rotary Club of Newark since 1953.

Thank you, Jim, for making Licking County such a special place for all to live, work and especially play.

His name joins the list of these past Everett D. Reese Award honorees:

Elizabeth White, Grace Holmes, Jackie and Glen Myers, Howard LeFevre, Thomas Ash, Jane Holloway, Jane McConnell, Robert Pricer, Kenneth Johnston, Don Gunnerson, Joyce Roberts, Mary S. Roberts, Jill Griesse, Skip Salome, Louis A. Mitchell, Constance C. Baldwin, Richard T. Oberfield, Mary Jane McDonald, Eddie Mae Scott, Stu Parsons, William Weidaw, Cynthia Menzer

Gifts

Spreading kindness

Generous contributions were made to establish funds; build existing funds; honor or memorialize special people or milestones; and support the Foundation's programs, initiatives or unrestricted fund. Thank you for making a difference!

OPPORTUNITIES TO GIVE

Making a difference.

Your philanthropic goals are our first priority. We can put your compassion into action today or make a plan for the future. The choice is yours. Establishing a legacy or charitable fund is a simple process that starts with a conversation.

Anyone can be a donor.

Philanthropy and endowment strengthen communities: providing safety nets in tough times and resources to take advantage of new opportunities. So how can you become involved with the Foundation? It's simple! We have a full range of philanthropic services for meeting donors' specific needs—such as choosing the right giving strategy or identifying an organization or cause to support. The Foundation offers a variety of fund types to match donor interests: Unrestricted, Field of Interest, Designated Agency, Agency, Scholarship, Donor Advised, Community Charitable and Project Funds.

Everyone can make a difference.

People often think that their contribution isn't large enough to matter. That's what makes Licking County Foundation so unique. We are funded not by a few large donors, but through thousands of gifts of all sizes from people who care deeply enough to put their compassion into action. Supporting the organizations, causes or community needs that are most important to you is easy:

- Choose one or a combination of named funds to meet your charitable interests.
- Build your fund in increments—the minimum balance for grants to begin varies with each fund type.
- Contribute to almost any fund already in existence at the Foundation—at any time and in any amount.
- Contribute to honor special people or milestones.
- Contribute to the Foundation's Unrestricted Fund which gives us the flexibility to meet the area's most immediate needs year after year.

Ways to give.

The Foundation can administer a broad range of charitable investments. Donors can contribute a wide variety of assets, such as: gifts of cash or publicly traded securities; assignments of life insurance policies; Charitable IRA Rollovers; Charitable Remainder Trusts; Charitable Lead Trusts; bequests; transfer of private foundation assets; real estate; and gifts of tangible personal property.

Tax deductions are earned when your gift is made, while grants awarded from your fund will continue into the future. Under most circumstances, contributions that are made to start a fund or add to an existing fund are never spent. Only the growth or income a fund generates is available for making grants.

You are encouraged to work with your estate planning professional or tax advisor to determine the type of gift that is right for you and your family.

If you wish to learn more about establishing a fund or making a gift, please contact:
