

LICKING COUNTY FOUNDATION

COVID-19 MEETING PROTOCOL

Updated on 7/25/22

When the CDC's COVID-19 community level for Licking County is **low**:

LCF Meeting Protocol: As the CDC's COVID-19 community level for Licking County is **low**, masking and physical distancing are not required. Masks may be worn based on personal preference, informed by personal level of risk. These precautions will also be taken:

- Masks will be provided, and hand sanitizer will be available at all meetings.
- Rooms will be set up to allow for physical distancing as appropriate and where possible, including limiting attendance, reducing seating capacities.
- Hybrid options will be provided where appropriate and possible.

Please avoid attending this meeting in-person if you are feeling ill or displaying symptoms.

When the CDC's COVID-19 community level for Licking County is **medium**:

LCF Meeting Protocol: As the CDC's COVID-19 community level for Licking County is **medium**, masking and physical distancing are not required, but encouraged. Masks may be worn based on personal preference, informed by personal level of risk. These precautions will also be taken:

- Masks will be provided, and hand sanitizer will be available at all meetings.
- Rooms will be set up to allow for physical distancing as appropriate and where possible, including limiting attendance, reducing seating capacities.
- Hybrid options will be provided where appropriate and possible.

Please avoid attending this meeting in-person if you are feeling ill or displaying symptoms.

When the CDC's COVID-19 community level for Licking County is **high**:

LCF Meeting Protocol: As the CDC's COVID-19 community level for Licking County is **high**, masking and physical distancing are required. The following precautions will also be taken:

- Masks will be provided, and hand sanitizer will be available at all meetings.
- Rooms will be set up to allow for physical distancing as appropriate and where possible, including limiting attendance, reducing seating capacities.
- Hybrid options will be provided where appropriate and possible.

Please avoid attending this meeting in-person if you are feeling ill or displaying symptoms.
