

Compassion **IN ACTION**

Helping people change lives.

**LICKING COUNTY
FOUNDATION**
bridging generations.

I am very anxious for school to begin in August and believe it is a great place for me. Thanks so much for helping my dreams become reality.
– LCF Scholarship Recipient

Growing up, I have been very involved in both school and community sports. Athletics are important to me, because of the physical and social benefits that they generate. After graduation, I would like to work with a professional hockey team and youth hockey teams so that I may be closely involved with the sport that I love, and I will be able to help my community. I am very appreciative of this award that I have been given. It helps remind me that my goals are possible and I will succeed in whatever course I choose to take.
– LCF Scholarship Recipient

There are about 120 youth participating in our programs. With the additional transportation, we were able to schedule more hands-on and cultural events which greatly enhanced the quality of education we can provide.
– Lee Manogg, President, Kairos Academy

One student quickly learned how to use the MP3 player and became a more independent learner. He was also a student who listened to one of the books on CD; and it was rewarding to see him enjoying a story much longer than one he would have been able to complete on his own.
– Sara Gruver, Teacher, Heritage Middle School

Our Mission...
improve the quality of
life for all citizens of
Licking County.

Dear Friends of the Foundation,

This year has been nothing short of inspiring. In a time when most Americans are counting their pennies, our donors were counting their blessings...taking stock of what's most important, committing to do more with what they have, and becoming part of the solution by investing in the community they love. There's no question that tough times bring out the best in people, and we are proud to help them turn their compassion into action.

The Licking County Foundation had another incredible year in 2010. We awarded \$1.58 million in grants and scholarships to deserving organizations and people in our community. Nonprofits received 206 grants, and 221 scholarships were given to students attending 73 colleges. We also received 576 gifts, a total of \$2.83 million. We even added eight new funds.

While these numbers are impressive, the difference we are making in the lives of our neighbors is what's truly amazing. Ronald McDonald House Charities of Central Ohio received a grant to fund 500 guest nights at Ronald McDonald House for families from Licking County. "I have seen first hand how important it is for families to have an affordable safe haven close to the hospital where their sick child is being treated," said Brian Mortellaro of Mortellaro McDonald's. "They can take a quick break, have a shower or maybe a home-cooked meal, all the while knowing that their newborn or sick child is safe just minutes away instead of miles down the road."

The Salvation Army received a grant to support the Summer Adventure Day Camp for children ages 6 to 16, an experience that provides a safe environment for kids to continue learning during the summer while parents are at work. "One camper was able to work on her reading and was also taught skills on how to resolve problems that she struggled with and how to redirect her anger," said Major Diana DeMichael, Corps Commanding Officer. "She loved to go on Fridays' field trips, because her grandmother was unable to afford to take her places. "

Each of our donors is making a real difference by supporting programs like these, but many donors go virtually unnoticed. That's why in 1996 we created the Everett D. Reese award to honor and encourage individuals who continually give to their community and ask nothing in return. Dick Oberfield is one of these unsung heroes, and it is an honor to recognize his efforts this year.

Mr. Oberfield has quietly given back to Licking County for years. He believes it is one's duty to help support the community services we all enjoy. More than anything, he values education. A Call To College, The United Way, Newark Catholic High School, Blessed Sacrament School and various scholarships are just a few of the many beneficiaries of his generosity. And he's not just a donor—he's a recent graduate. After a long career with Park National Bank, Mr. Oberfield went back to college to receive his degree.

Congratulations Mr. Oberfield, and thank you. You are an inspiration to us all. And thank you to all our donors whose generous gifts make it possible for us to continue our mission to improve the quality of life for all citizens of Licking County.

With warm regards,

Michael Cantlin
Chairman, Governing Committee

Constance Hawk
Director

Year in review

2010 OVERVIEW

Grants & Scholarships – 427 given & \$1.58 million awarded*
Grants – 206 given to nonprofits
Scholarships – 221 given, 73 colleges attended, \$257,040 awarded
Gifts – 576 received & \$2.83 million contributed*
New Funds – 8
Total Funds – 209
Total Assets – \$52.4 million
Years of Operation – 54

*Note: includes agency fund grants and gifts

New Funds

We are truly grateful to the individuals, families and organizations that established these charitable funds in 2010. Thank you for your care and compassion.

Jeff and Jane Cox Family Fund

A donor advised fund, established by Jeff and Jane Cox, to support the charitable organizations and causes the Cox family cares about most.

Dawes Arboretum Endowment Fund

An agency endowment fund, established by the board of the Dawes Arboretum, to support programs that increase the love and knowledge of trees, history and the natural world.

Dick and Clara Francis Scholarship Fund

A scholarship fund, established through a legacy gift from the estate of Clara Francis, whose life was spent operating Francis Industries and traveling all over the world, to provide scholarships to graduating seniors from Licking County high schools who demonstrate financial need, and plan to further their studies at an accredited college, university, technical school or other post secondary institution.

GTW Fund

A community charitable fund, established by an anonymous donor, to support equipment for and activities at the Lou and Gib Reese Ice Arena and the Newark Sports and Event Commission.

Patti Guanciale Fund

A designated agency fund, established by Dan Guanciale in honor of his wife Patti Guanciale who loved books and was an avid reader, to provide permanent, continuous support to the library at Newark Catholic High School.

Paddy K. Kutz Community Mental Health Endowment Fund

An agency endowment fund, established by the board of Mental Health America of Licking County, to support the Paddy K. Kutz Community Mental Health Award program which recognizes effective mental health promotion and education in the areas of education, business and community with three awards annually.

McCray Family Scholarship Fund

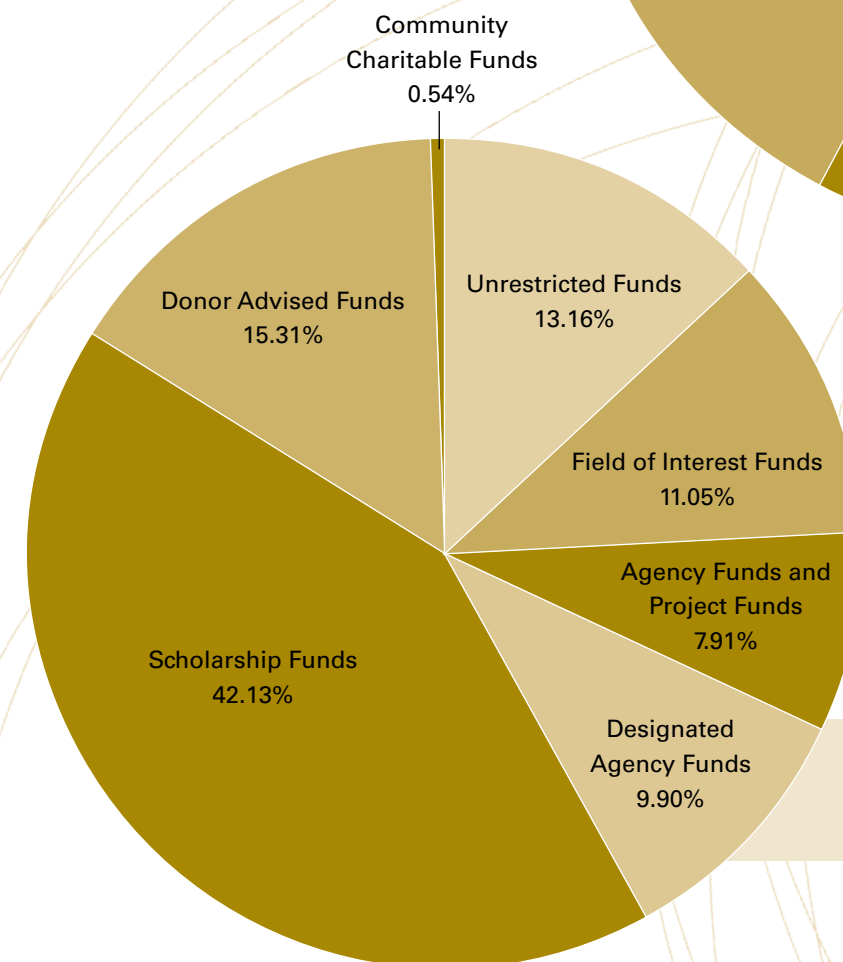

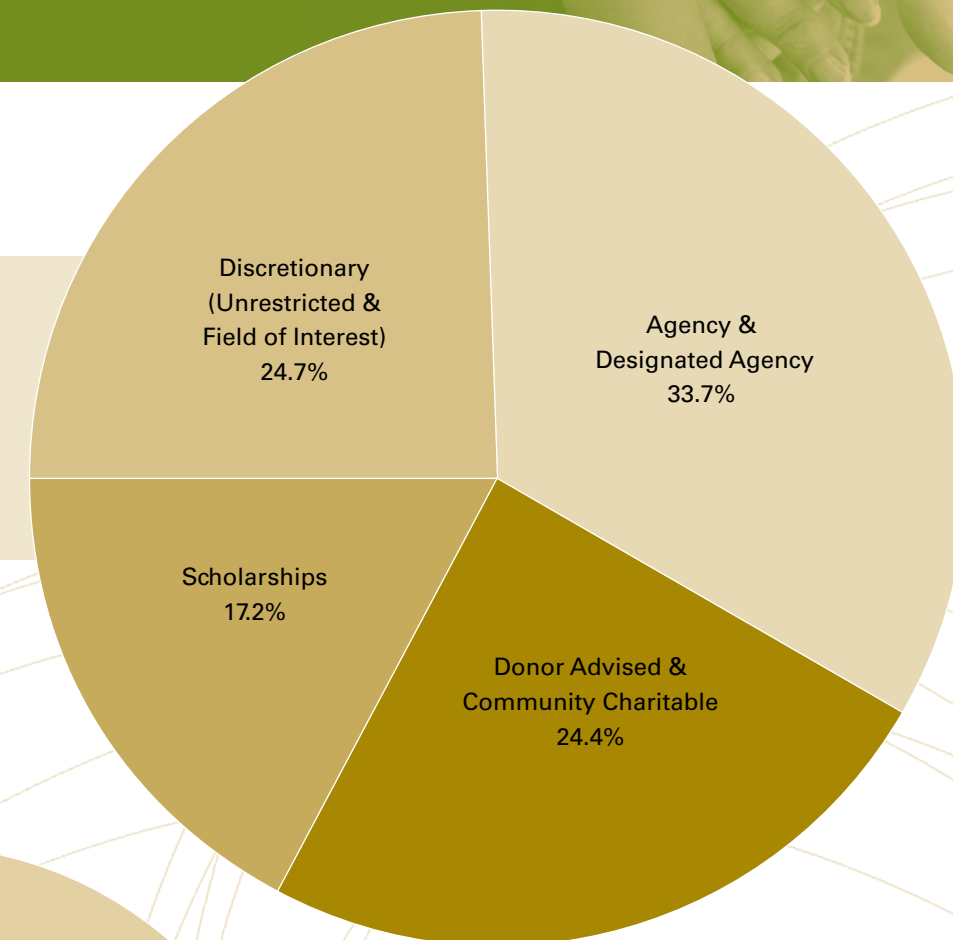

A scholarship fund, established by brothers Nelson and Thomas McCray, to assist graduating seniors from Licking Heights High School who demonstrate financial need, have achieved a 2.0 GPA, and plan to further their studies in education or agricultural science at an accredited college or university.

Miller Elementary School PTO and Thelma Bounds Scholarship Fund

A scholarship fund, established by the Parent Teacher Organization of the William E. Miller Elementary School in Newark which closed in 2009, to support graduating seniors who attended Miller Elementary School and want to pursue a post-secondary education.

GRANTS BY FUND TYPE

Competitive grants are awarded from discretionary funds (unrestricted and field of interest). Non-competitive grants are awarded from agency, designated agency, donor advised, community charitable and scholarship funds.

ASSETS BY FUND TYPE

Foundation Assets as of December 31, 2010

The grant has helped us secure a local consultant who offered to donate the majority of his services to reformat our information. This upgrade will make the client database user-friendly and viable for many years into the future... Our ability to provide effective and efficient service depends on this database, with your assistance we will do that well!

*– Connie Kramer, Director,
Licking County Coalition of Care*

By awarding me this scholarship, you have lightened my financial burden, which allows me to focus more on the most important aspect of college: learning. Without scholarship donors like you, there would be many students unable to pursue the career they've dreamed of. Your generosity has inspired me to help others and give back to the community.

– LCF Scholarship Recipient

Grants & Scholarships

Community Grants

Awarded annually through unrestricted and field of interest funds, these competitive grants help nonprofits meet the ever-changing needs of our community.

Alzheimer's Association – Central Ohio: \$6,070 to support education and onsite care consultations to Licking County residents who are affected by Alzheimer's disease and related dementias.

Friends of Citizens with Disabilities: \$3,000 to support the Pony Express Horseback Riding Program which helps children and young adults with disabilities develop self-awareness, self-confidence, and self-discipline through therapeutic recreation and socialization.

Heartbeats of Licking County, Inc.: \$20,000 to support a two-story addition connected to the current center that will allow for an anticipated 50% expansion of their client and program services.

Our clients now walk into a more tranquil and spacious waiting area with room for more to come and wait on appointments. The volunteers and staff are secure and in more private, professional surroundings. The additional space allowed for three more education rooms to be created—including the sports-themed "Buckeye" room. – Rindy Brooks, Executive Director, Heartbeats

Heath Community Arts Council: \$6,975 to support the installation of an elevator to make the Davis-Shai House facility ADA compliant.

Perhaps the greatest appreciation for the elevator is expressed by our 80+ volunteers who utilize it on a continual basis to transport goods and equipment from one level to another. We have experienced an increase in the number of physically-challenged patrons attending functions who now have the opportunity to visit the indoor garden on the lower level and a small gift shop on the second floor or simply tour the facility. – Janice Wilkin, Executive Director, Davis-Shai House

Kairos Academy: \$20,000 to support a vehicle to transport academically and economically at-risk youth to enrichment and experiential learning activities.

Licking County Center for the Visually Impaired: \$25,000 to provide eye examinations, eyeglasses and low vision aids (such as magnifying glasses, talking blood pressure monitors, talking thermometers, talking scales, talking calculators, talking clocks/watches, closed circuit television magnifiers) for financially-disadvantaged children and adults (under age 59) in Licking County.

Enclosed is a letter we received from a student: "I would like to express my gratitude to all who gave me a chance. I was failing slowly out of college due to a few major obstacles that were making school hard for me. I couldn't see the chalkboards, overhead projectors and some of the class participations; and as a result, I was

getting behind in my studies. Since I have gotten my glasses, I have passed a class with a satisfactory grade." Letters like this come on a regular basis, as people's lives are changed due to the necessary ability to see and their inability to pay for adequate eye care." – Tom Young, Executive Director, LCCVI

Licking County Coalition of Care: \$500 to update a client-tracking database for utilizing information more effectively and address the future needs of the organization.

Licking County Job and Family Services: \$35,000 to support Healthy Start Medicaid program outreach and enrollment services for economically-disadvantaged children.

We are pleased to report that the grant has assisted 671 children in being enrolled for medical coverage. In addition, a significant impact has been made in maintaining children enrolled in Healthy Start. – John Fisher, Director, Licking County Job & Family Services

Licking County Educational Service Center: \$300 to support the Rick Demuth Memorial Quiz Bowl which is a fun and competitive academic achievement experience for Licking County High School students with special needs.

Licking County Family YMCA: \$25,000 to support the construction of a 5,300-square-foot Health and Wellness Center at the Newark Branch of the LCFYMCA facilities.

Licking Heights Central Middle School: \$600 to purchase fabric for creating a culture quilt as part of the school's *Three Cups of Tea* service learning project for 7th graders.

I think a lot of times students don't always see the connection between what they read and their own life. Through this hands-on project, students thought about the Pakistani culture, how it was similar and different to their own, and then shared their own culture through a picture or symbol. I believe students enjoyed being able to share a part of themselves through the culture quilt project. – Laura Mickelson, Teacher, Licking Heights Central Middle School

Mental Health America of Licking County: \$15,000 to support the operating expenses of the YES Clubhouse, a free after-school and summer program for teens.

Mental Health America of America / YES Club Program: \$470 to purchase a new refrigerator for the YES Clubhouse.

The Midland Theatre: \$20,000 to support performing arts programs for young people and families.

Teachers and students have raved about the excellent quality of the programming, the cultural exposure, the continuity with curriculum; and they expressed many heartfelt stories. A Licking Heights' teacher, who attended 'Peter and the Wolf' with her students stated, "As I looked down the row of very active second graders, they were all sitting and watching as if they were playing a game system—they loved it!" – Angel Thomas, Development Assistant, The Midland Theatre

My Place To Be: \$5,000 to support drama classes for students on the autism spectrum to utilize acting methods and techniques for learning communication and social interaction skills.

We were excited to see the community come out this year for the performance. We had many family members, but we also had many who heard about us and wanted to see the show. A story was done in 'The Advocate'; and NBC Channel 4 also did a very nice piece on their newscast. . . this was a big honor. We were able to communicate that children with autism are not just a statistic—they are amazing and can accomplish things that others may not expect. – Christa Milner, Founder, My Place To Be

National Multiple Sclerosis Society – Ohio Buckeye Chapter: \$3,000 to support direct client services such as equipment and home modification, respite care, and transportation assistance for the uninsured or underinsured.

Newark City Schools/Carson Elementary School: \$2,850 to support a field day experience for 560 pre-Kindergarten to 5th grade students for the purpose of celebrating their physical and academic achievements for the year.

Newark City Schools/Heritage Middle School: \$500 to purchase audio technology for supporting effective classroom instruction of language arts and character education for students with varying interests and abilities.

Newark City Schools / Wilson Middle School: \$586 to purchase equipment and supplies for an after-school Cooking Club which teaches basic cooking techniques such as mixing, measuring and operating an oven to 7th and 8th graders.

Ronald McDonald House Charities of Central Ohio: \$3,410 to support assistance for 500 guest nights at the Ronald McDonald House for families from Licking County.

We had 56 families from Licking County stay approximately 627 nights in 2010. . . Here is just one of the comments we have received regarding our services provided: "The Ronald McDonald House has been a blessing for me and my family at a time of crisis when my infant son passed away. . . they were so supporting, loving, caring. . . I would have never made it through. . . I will never forget this place of love." – Dee Anders, Executive Director, Ronald McDonald House Charities

The Salvation Army: \$3,326 to support the Summer Adventure Day Camp experience for children (ages 6 to 16) to provide a safe haven while parents are at work, and enable them to continue learning during the summer in academic areas like reading, math, science and history.

The Salvation Army: \$5,000 to support the Summer Food Program which provides a free nutritional breakfast, lunch and snack for low income children at The Salvation Army, the YES Club, and the Licking County Family YMCA to take the place of free or reduced meals provided at school.

There was a young mother who brought her three deaf children to the YMCA every afternoon for lunch. The mom told us that her children looked forward every day to coming to the YMCA to pick up their lunches and to have a small picnic. She also stated that this enabled her to make sure that her children had at least one nutritional meal a day. – Major Diana DeMichael, Corps Commanding Officer, The Salvation Army

Society of St. Vincent de Paul Housing Facility, Inc.: \$15,000 to support operational, essential, and administrative services for providing emergency shelter and/or transitional housing for 32 adult males.

One particular resident, a man in his early fifties who previously had a successful job in Columbus, married and the father of two children, became addicted to crack cocaine and consequently lost his job and family. He found himself in a crack house in Columbus, not remembering how or when he got there. Fortunately for him, he had a friend in Licking County who brought him to St. Vincent Haven. Two days later, he entered a treatment program at Shepherd Hill, rode a bicycle daily to meet with doctors and counselors, participated in peer programs they offered, attended Narcotics Anonymous classes three to four times a week, completed his assigned chores at the Haven daily without complaint, was a positive influence on other residents in the shelter and successfully completed his treatment program, leaving the shelter after seventy-seven days to move into an apartment. During his exit interview at the Haven, he left the following comment in his file: "I couldn't have gotten my life back on track without the shelter's help." – Linda Berger, Executive Director, St. Vincent Haven

Village of Hartford: \$4,600 to support the purchase and installation of five new furnaces with air conditioning in the new community center (the old Hartford Elementary School).

The Woodlands: \$11,700 to support the placement of six social workers in Licking County area schools (five in Newark City Schools and one in Licking Heights School District).

The Works: \$12,500 to support the promotion of STEM (Science, Technology, Engineering and Math) education in Licking County.

This grant allowed us to develop a comprehensive STEM program for Licking County. . . We have grown in our ability to offer quality STEM-based education with the addition of a staff person dedicated to this initiative. – Marcia Downes, Director, The Works

Grants & Scholarships, continued...

Scholarships

221 scholarships were awarded to area high school seniors and college students from 54 scholarship funds established by generous donors who have made an investment in the future of Licking County through their commitment to higher education. These students attended 73 different colleges with scholarship awards ranging from \$500 to \$5000. Scholarship winners were selected from a pool of 409 applicants.

- Mary E. Alford PEO Chapter DL Scholarship:** Ashley McPeck
- John W. Alford Scholarship:** Ashlie Martindale, Miria Waldrop
- Allen-Good-Willey Scholarship:** Megan White
- Bill “Army” Armstrong Scholarship:** Lauren Vermaaten
- Frank L. Boylan Scholarship:** Jonathan Takacs
- Brinkerhoff Award:** Alexandra Lorenza
- Robert Buckenberger Scholarship:** Colton Kreager
- Robert Ernest Buckey, Virginia Woltjen Buckey, and Scott Buckey Richards Memorial Scholarship:** Benjamin Lough
- Davis Family Scholarship:** Derek Adam, Antonio Charles, Cathryn Clark, Jessica Dillow, Nathan Godenschwager, Brian Hupp, Audrey Knox, Daniel Miller, Maggie Roby, Rachel Satterfield, Susan Satterfield, Jacob Saunders, Hillary Stahl, Cody Swartz, Kurt Van Ness

- Wilson, Shannon & Snow, Inc. Scholarship:** Gennyfer Messer
- Ralph S. Wyeth Scholarship:** Emily Contini, Caitlyn Cortez, Lesley Fisher, John Hager, Andrew Krumm, Audra Mauter, Matthew McCarty, Stephanie Merrilees, Michael Williams, Jennifer Wilson, Kimberly Wyscarver

Tibbie Leslie Travel Grants

Four area educators received a total of \$8,079 in foreign travel grants supported by the Tibbie Leslie Fund in 2010. Like donor Tibbie Leslie, a teacher and world traveler for 30 years, these teachers brought the wonders of the world home to their students and schools:

- Amanda Andrews, Licking Heights High School – for travel to Peru
- Mary Borgia, McGuffey Elementary School – for travel to Mexico (photos of her travel are to the right)
- Krista Clark, Hebron Elementary School – for travel to Canada
- David Hile, Licking Valley High School– for travel to China

FOR THE TWELVE MONTHS ENDED DECEMBER 31, 2010
Auditor's Comment: These statements were excerpted from the Licking County Foundation audit report dated August 5, 2011, which expressed an unqualified opinion on its financial statements. For purposes of this presentation, however, substantially all disclosures and the Statement of Cash Flows have been omitted. If the omitted disclosures and Statement of Cash Flows were included in the financial statements, they might influence the user's conclusions about the organization's financial position, activities, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters. – Dixon, Davis, Bagent & Company

A full copy of the annual audit is available for public inspection upon request.

NEWARK, OHIO
DECEMBER 31, 2010 and 2009
In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of the Licking County Foundation as of December 31, 2010 and the changes in its net assets and its cash flows for the period then ended, in conformity with accounting principles generally accepted in the United States of America. – Dixon, Davis Bagent & Company

Opportunities for giving

How can you become involved with the Foundation?
It's simple! We have a full range of philanthropic services for meeting donors' specific needs—such as choosing the right giving strategy or identifying an organization or cause to support. The Foundation offers a variety of fund types to match donor interests.

Making A Difference

People often think that their contribution isn't large enough to matter. That's what makes Licking County Foundation so unique. We are funded not by a few large donors, but through thousands of gifts from people who care deeply enough to put their compassion into action. Supporting the organizations, causes or community needs that are most important to you is easy:

- Choose one or a combination of named funds to meet your charitable interests.
- Build your fund in increments—the minimum balance for grants to begin varies with each fund type.
- Contribute to almost any fund already in existence at the Foundation—at any time and in any amount.
- Contribute to honor special people or milestones.
- Contribute to the Foundation's Unrestricted Fund which gives us the flexibility to meet the area's most immediate needs year after year.

Ways To Give

The Foundation can administer a broad range of charitable investments. Donors can contribute a wide variety of assets, such as:

- Gifts of cash or publicly traded securities; assignments of life insurance policies; Charitable Remainder Trusts; Charitable Lead Trusts; bequests; transfer of private foundation assets; Charitable Gift Annuities; real estate; and gifts of tangible personal property.

Tax deductions are earned when your gift is made, while grants awarded from your fund will continue into the future. Under most circumstances, contributions that are made to start a fund or add to an existing fund are never spent. Only the growth or income a fund generates is available for making grants.

You are encouraged to work with your estate planning professional or tax advisor to determine the type of gift that is right for you and your family.

If you wish to learn more about establishing a fund or making a gift, please contact Connie Hawk at 740.349.3863 or connie@thelcfoundation.org.

Your support is important to continuing the mission of the Licking County Foundation.

Please consider making a gift to improve the quality of life for all citizens in Licking County.

Thank you for making a difference!

**LICKING COUNTY
FOUNDATION**
bridging generations.

Leaders For Learning Awards & Grants

Some of the community's very best educators were recognized for inspiring future generations of citizens with the Leaders for Learning Award in April 2010. Fourteen area teachers were surprised in their classrooms by representatives of the Licking County Foundation with art-glass apples symbolizing the knowledge and inspiration they impart to their students. Leaders for Learning Award recipients can also apply for \$500 grants to further their professional development or purchase materials for their classrooms. This award is made possible through generous support by the Lindorf-Warner Memorial Donor Advised Fund. The 2010 Leaders for Learning Award recipients are:
