Licking County Foundation Grant Programs Approved 2018

OVERVIEW

Awarded through unrestricted funds, these grants carry out the wishes of donors and help nonprofits meet the needs of our community. Once a year, the Foundation accepts proposals from tax-exempt, nonprofit organizations serving Licking County as part of a competitive grant making process to respond to new and existing programs, emerging needs, and innovative services that might not be started or continue were it not for LCF's support.

PRIORITIES: POLICY STATEMENT FOR GRANTMAKING

The mission of the Licking County Foundation is to enhance the quality of life for all citizens in our area, now and for generations to come, by building community endowment; addressing needs through grant making; and serving as a leader, catalyst, and a resource for charitable giving.
